## Introduction

### **Article 1 - Introduction**

**1.1** Soccer in western Pennsylvania will be known as a sporting activity where courtesy, common sense, and good sportsmanship prevail. The Youth Board of Directors issue these Rules and Regulations to supplement the current FIFA Laws of the Game and US Youth Soccer rules and are to be followed uniformly. The purpose of these Rules and Procedures is to encourage the playing of youth soccer by providing a uniform and organized standard. Sportsmanship and fair play is the standard in all instances whether enumerated in a written rule or not.

**Harassment, abuse, or assault of referees is not to be tolerated; the right of each player, coach, team/club official, parent and spectator to attend games is a privilege that can be lost by inappropriate conduct.**

**1.2** These rules govern all play. Clubs have the right to retain house rules for their In-House providing such rules are consistent and in accord with PA West Soccer and US Youth Soccer rules. All Districts and Divisions have the right to augment the Rules with the approval of the PA West Soccer Youth Board.

**1.3** A claim of ignorance of these rules and regulations shall not be satisfactory grounds for the waiving of such rules and regulations.

**1.4** Suggestions for change are always welcome and will be reviewed by the Rules Committee of the Youth Board. Please forward any suggestions to the PA West Soccer State Office. Changes are to be submitted by March 1st for consideration for September 1st of the next year. The youth board has the authority and obligation to review the rules at the January meeting each year and change or adjust each and any rule that is in conflict with another rule or any policy handed down from US Youth Soccer national or regional authorities.

**1.5** All illegal drugs, alcoholic beverages, and weapons are prohibited at all PA West Soccer sanctioned or sponsored activities. Clubs/individuals who do not comply with this rule will be required to appear before the Disciplinary Committee. Those found guilty of violations of this rule will be subject to suspension for a playing season (one year). The Divisional/District Director will immediately suspend those involved until the Disciplinary Committee has met and decided the case.

**1.6** Teams select the league they will play in based on ability to play in that league with the following exceptions

- A. Boys may not play on Girls Division teams.
- B. No team may play in both Classic and Travel Leagues. A team is considered the same team if there are N (half) plus one (1) players in common on both teams. Teams violating this rule will be suspended immediately from the lower level league of play and will remain suspended until the team meets the requirement of **1.6 B**.
  - 1. The Division 3 Boys and Girls Directors may grant exceptions to Rule 1.6B in their respective playing divisions provided the players in question have played for their Sunday club requesting the exception for the last two (2) consecutive playing years.

**1.7** **Exception and Effective Date**

Only the Youth Board has the authority to grant exceptions to these rules except as noted below in Article 8.6 (Transfers) and Classic #2 (Eligibility and General Requirements). All other requests for exceptions except as noted below in Article

**Effective 9/1/09 (Adopted 6/1/09)**

**Changes for the 2009 – 2010 playing season are underlined**

## PA WEST SOCCER ASSOCIATION

8.6 (Transfers) and Classic #2 (Eligibility and General Requirements) must be submitted in writing to the Youth Board President or his designee (e.g. the Rules Committee) who will include the request on the agenda for discussion at the next regularly scheduled board meeting. A vote on the request will not be taken until the following regularly scheduled meeting. A  $\frac{3}{4}$  vote of the members present will be required to grant an exception. All exception hearings will be held in executive session. These rules will remain in effect until revised or amended as provided by the PA West Soccer Constitution and By-Laws. These rules supersede all presently effective rules.

Each District/Division shall have the right to impose fines upon its member clubs/teams for non-attendance at presidents meetings, or to require clubs/teams to post performance bonds for various age group participation. Such fines must be approved by a majority of club voting members present (as defined by that District/Division) from the specific District or Division imposing the fine; all such levies must be approved prior to the start of any season and confirmed by the Youth Board.

- 1.8 Certified letter shall be the official means of communication.
- 1.9 PA West Soccer's Youth Division may adjust the 2009-2010 Youth Division Playing Rules as necessitated by amendments to the PA West Soccer Constitution and/or Bylaws.

- A. All players on the field must be attired in matching uniforms consisting of shorts, jersey (with number), socks, shin guards, and legal soccer shoes. The uniform must consist of the club's official color and name. In case of a color clash, the home team will change.
- B. All or any member (s) of any team are permitted to wear extra protective clothing including gloves or garment protruding beyond the uniform without dangerous, protruding or hard objects, provided that:
  1. The proper team uniform is worn outermost;
  2. Referee discretion may be used to determine if any item of protective clothing is considered to go beyond the purpose of providing protection.

### 3.4 *Scheduling of Games*

- A. Each District/Division (other than for in-house recreational league play) shall arrange to schedule games in the most reasonably feasible manner for the teams registered for play. Traditionally, this means games are scheduled by a playing Division/District/League Director/Age Group Commissioner (hereinafter referred to as the "Scheduling Commissioner") who will create/coordinate a "pre- Schedule" to provide the opponent each team will play, the date set for it, and whether the game is home or away.

## PA WEST SOCCER ASSOCIATION

- B. Such a “pre-schedule” is to be created and circulated to all coaches before the playing session. Immediately upon receipt of the pre-schedule, each coach is to provide the pre-schedule to his club. Each club is then to provide the game time for each home game, and each coach is responsible for ensuring such game time and game location/directions and declared shirt color information is communicated promptly to the Scheduling Commissioner by the second week of the playing session, if not earlier. The Scheduling Commissioner shall then circulate the official schedule to all teams, now listing the times of the games and locations and declared shirt color of the home team so as to provide the teams with the necessary information to assist players, coaches and parents in their planning how each player can best coordinate his/her soccer commitments with other family needs.
- C. In the event a team does not communicate this game time information to the Scheduling Commissioner so that the opponents of that team can know as far in advance as practicable the time of day the game is to start, the “away” opponent has the right (provided it is exercised at least one week before the scheduled game) to notify the scheduled “home” coach (and Scheduling Commissioner) that the “away” team elects to play the game at their “home” and provided the original “away”/now “home” team obtains officials to referee and line the game and a game time and site is designated and directions to the site (if needed) are provided, the originally scheduled “home” team will now be required to play away at the site designated by their opponent. The originally scheduled “home”/now “away” team will be required to bring payment for the center referee and two linesmen in a form (i.e., check or cash) and reasonable amount designated by the original “away”/now “home” team. The original “away”/now “home” team will have the right to declare shirt color and shall make all arrangements necessary to ensure the field is ready for play, officials are scheduled, and such team shall have all responsibilities as if they were the originally scheduled home team (except that the responsibility for paying the referee/linemen at the field is now the responsibility of the original “home”/now “away” team). In the event the original “home”/now “away” team does not bring proper payment for the game officials, that team’s soccer club shall pay the cost of the game officials plus an additional \$30.00 if paid within three weeks of the game, and if not promptly paid, shall be responsible for paying an additional \$30.00 for each month thereafter that the charge of the game officials has either not been paid to them or reimbursed to the original “away”/now “home” team/club. If the original “away”/now “home” club paid the officials they obtained, all late payment fees shall go to the now “home” club; if the officials were not paid by the now “home” club, the late fees shall be divided equally and paid to the officials.
- D. It is recognized that there shall be reasons (e.g., late addition of teams to the schedule or other reasonable, unforeseen causes) that could delay issuance of the schedule by the Scheduling Commissioner where the schedule is not circulated before the playing session. In such a situation each team has two weeks from when the schedule is circulated to ensure the Scheduling Commissioner is provided with the intended game times.
- E. It is also recognized that there shall be good-faith reasons why a game (date or time) may need to be changed even though pre-scheduled. In such an event, it is intended that good faith and good sportsmanship will prevail to understand exigencies that may arise. In such an event that the time of the scheduled game needs to be changed by the home team, such a change must be communicated to notice as promptly as can be undertaken.

## PA WEST SOCCER ASSOCIATION

- F. In the event there is a dispute regarding the above, it shall be resolved by the Scheduling Commissioner in the most expeditious, yet reasonable, fashion. The Scheduling Commissioner, shall have the right to make the determination to resolve the dispute; if the Scheduling Commissioner desires he has who shall have the right, but not the obligation, to include other District/Division officials in the decision-making process and/or convene a District/Division hearing if felt necessary to resolve the dispute. If time is of the essence, a decision/ruling that allows the game to be played (even if time does not allow the most informed or ultimately best decision or does not allow for full due process) is preferred rather than no game being played because of a dispute; subsequent action can then be undertaken to redress any injustice that did occur.

### **3.5 Home Team Responsibility**

- A. Provide a properly marked playing field of regulation size and place a hash mark outside both the touchline and the goal lines at the 10-yard mark to assist the assistant referee in judging encroachment on the corner kick.

- F. In the event a schedule has not yet been circulated by the Scheduling Commissioner listing game times, location/directions, and declared shirt color of home team, the home team is to call visiting team no later than the Tuesday evening before the game with time, place, directions, etc. for the upcoming game. The home team is to declare their shirt color; failure to do so by this time gives the opposing coach his choice of colors. Games should be started within 30 minutes of the scheduled starting time. The home team shall notify the Scheduling Commissioner that a game has not been played within the allotted time period minutes of the scheduled starting time. Should a color conflict arise, at the start of the game, the home team will change.
- G. Notify the visiting team at least two (2) hours plus travel time prior to the starting time for a rained out game.
- H. Make-up: If teams are unable to decide upon a make up date, the Age Group Commissioner or District /Division Director will set the date and place if necessary.

### **3.6 Visiting Team Responsibility**

- A. The visiting team shall notify the Divisional/District Director or Age Group Commissioner that the game was not played due to lack of referees.
- B. The visiting team should arrive at least thirty (30) minutes prior to the scheduled start of the game to allow time for check in and instructions from the referees.

for players in their District/Division, convening a committee to provide a hearing for any discipline invoked under Article 5 or further review the probationary status of any player, coach or team earlier determined. The Disciplinary/Hearing Committee is further authorized to otherwise review the conduct of any player, coach, team, or club in said District/Division to ensure compliance with applicable rules and regulations and acceptable sportsmanship and gentlemanly conduct standards. Said Disciplinary/Hearing Board Committees are empowered to render appropriate penalties or sanctions. While a hearing should occur within 30 days of the triggering reason for the discipline, reasonable efforts shall be undertaken to provide a hearing within 15 days of the invoking of any suspension unless said District/Division wishes to use a scheduled monthly Disciplinary/Hearing Committee meeting for purposes of said hearing. The Disciplinary/Hearing Board shall attempt to hold a hearing and render a ruling before the expiration of a suspension so invoked, but unless as otherwise provided (e.g., Section 5.2 *G*, supra), the failure to render a ruling before the expiration of the suspension does not abrogate the suspension. Hearings held at PA West sponsored Tournaments may be held with verbal notice

- D. If a player or coach wishes to appeal a District/Division Disciplinary/Hearing Board disposition or if they are dissatisfied with an action or inaction of PA West Soccer as it affects their playing status or being sanctioned/approved for play or travel and wish to protest this, they may do so by maintaining an Appeal to the Youth Division Hearings and Appeals Committee pursuant to the PA West Soccer Bylaws (see Youth Division Organizational Rules, Chapter 27, and Chapter 7, "Appeals"). The following process is to be followed:
1. If an Appeal from a disciplinary action, the Appeal must occur in writing within ten (10) days of receipt of the District/Division Disciplinary/Hearing Board findings. The Appeal must be sent certified mail to the PA West Soccer State Office (with a \$150.00 check from the club) and by certified and regular mail to the Youth Board Hearings and Appeals Chairperson (with copy of check sent to PA West Soccer State Office); the sender shall also obtain a date-stamped "Proof of Mailing" from the U.S. Post Office and maintain the same for review. A detailed statement as to the basis for the Appeal shall be submitted, signed by an appropriate official of the appellant club. The Hearings and Appeals Chairperson shall review the Appeal, be authorized to conduct fact-finding by reviewing the matter with any of the parties, District, Division, or otherwise, and upon confirming a legitimate Appeal exists and has been properly filed, the Hearings and Appeals Committee will be convened to review the Appeal being taken from the action of the District/Division.
  2. If a protest or Appeal is being made on a matter not involving action of a District/Division Disciplinary/Hearing Board, the appellant is first to contact the Youth Board President to determine if this is a matter properly reviewable by the Youth Division. If so, the President may refer the matter to the Hearings and Appeals Committee Chairperson for appropriate fact-finding (including, if necessary, the convening of the Hearings and Appeals Committee to include the District/Division Director for the team(s) in question) and ruling, or the President may refer the matter to the Youth Board of Directors for review, or the President may take such action as may be appropriate. If the matter is to be reviewed by the Youth Board Hearings and Appeals Committee or the Youth Board of Directors the same procedures must be followed in the taking of the Appeal as set forth above in subparagraph "1" with the addition that the Youth Board President is to be copied on the Appeal (by regular mail) and 12 copies of all statements, facts and arguments for consideration shall be submitted to the State Office with the Appeal for distribution.
  3. If an Appeal is taken from the Hearings and Appeals Committee to the Youth Board of Directors, this must occur in writing within ten (10) days of receipt of hearing findings.

## PA WEST SOCCER ASSOCIATION

No further appeal fee must be paid, but the Youth Board may overturn the decision of the Hearings and Appeals Committee only by a three-quarters vote of the total voting members present of the Board of Directors.

4. The next level of appeal shall be to the USSF by completing a Notice of Appeal in accordance to USSF procedures (currently USSF Bylaw 705) providing for the party to complete a USSF Notice of Appeal with appeal fee to be submitted within ten (10) days of receipt of the decision rendered by the Adult or Youth Divisions or Referee Committee or other PA West Soccer final decision. The Federation's Appeals Committee has the jurisdiction to approve, modify or reverse decisions.
5. The Youth Division procedures for the taking, hearing and disposition of Appeals are implemented to provide the most convenient forum in which to convene a disciplinary hearing and shall serve to satisfy the Youth Division Organizational Rules embodied in the PA West Constitution, particularly Chapter 27, "Hearings and Appeals Committee," especially insofar as they set forth provisions of the Youth Division (allowed under PA West Soccer Bylaws, Chapter 7, "Appeals, Grievances and Disputes") as to how the Hearings and Appeals Committee/Board shall be composed and allowing periodic disciplinary hearings in each District/Division/League.
6. In the event any District/Division/League is believed by a player, coach, team or club not to be providing a proper and timely disciplinary hearing, the aggrieved shall contact the District /Division/League Director and/or the Youth Division Hearings and Appeals Chairman, who shall rectify the situation by expeditiously convening a proper District/Division/League Disciplinary Board hearing or referring the matter directly to the Youth Division Hearings and Appeals Committee (in which event no \$150.00 appeal fee need be paid for this stage of review).
7. The composition of a District/Division Disciplinary/Hearing Board shall be determined by the Disciplinary/Hearing Board Chairperson in each District/Division with the advice of the District/Division Director; the members of the Disciplinary/Hearing Board shall serve either by special appointment for a given case or date of hearing, or may be generally appointed until replaced. The composition of a Youth Division Hearings and Appeals Committee may include any members appointed by the Hearings and Appeals Committee Chairman, who shall seek the advice of the District/Division/League Director involved, but the final selection of Committee members shall be that of the Hearings and Appeals Committee Chairman. The Hearings and Appeals Committee review/hearing need not be chaired by the Hearings and Appeals Committee Chairperson but shall report to the Hearings and Appeals Committee chairperson.

### **Adds, Drops & Transfers**

The registrar should return three (3) rosters after the initial registration.

1. The roster with their signature, date and sticker. Used for all games played.
2. The roster with their signature & date labeled for the age commissioner.
3. The roster with their signature & date only. This is known as the work copy. This is the roster where any adds, transfers and deletes are to be done if a computer-generated roster will not be used.

### **Adds**

Place all players that are being adding after the original registration in this section of your roster in alphabetical order. Do not do this on the original stickered roster. All the signatures and dates must appear on this roster from the original roster. Take this to your registrar with the required amount of copies. Return the original stamped roster. The registrar will stamp a new one.

### **Deletes**

When dropping a player, place a line through the player being dropped. Turn in the player pass to the registrar along with the required amount of rosters. You must also turn in your stamped roster. The registrar will stamp a new one for you. For Classic, Division 1 and Division A Player/Team Status Form must accompany these rosters.

### **Transfers**

Place the player in the transfer section of the roster. When dealing with the Classic league, Division 1 & A make sure the original team has already dropped this player from their roster. Make the required amount of copies and turn into the district/division registrar along with the original stickered roster.

**For Classic, Division 1 and Division A** Player/Team Status Form must accompany these rosters. At the time a team names its National Championship roster it may not have more than five (5) previously rostered players. Transfer from Classic teams is restricted (See PA West Soccer Playing Rules 8.6.D and Classic League Rules [Rules of Play])
